

September Fun Nite

Mark your calendars for our next Fun Night! We're pulling out all the stops this time with Brian Christensen, our CPR instructor/comedian. You're probably wondering about the "comedian" part. We had so much comic relief last time (and we actually learned a few things) that we decided to bring Brian back for Part 2, which will include a refresher on CPR, as well as a wide-ranging discussion on first aid.

Brian will talk about bandaging, splinting, wound management, wound care, and home safety. You won't want to miss this one. It will be held on Thursday, September 25, 2008 at the Boston Deli on Exchange Place. Good eats will start at 5:00 p.m. Brian's presentation will be from 5:30 to 7:00 p.m. You will be able to park at the Exchange Place parking garage or on the street.

SEE YOU THERE!!!
